

Listen to Lisa!

Hello everyone.....I hope that you are all taking advantage of our beautiful summer..

Our last meeting was small and only two people brought in slides (thanks to Elizabeth and John for being so dedicated!) so we will be viewing the slides at our August meeting. I hope that you all became motivated to run around and shoot slides for the scavenger hunt when you found out that we had extended the deadline! Don't forget to bring your favorites in each category to the meeting!

At the last meeting we talked a lot about our December Show. We realized that we can not leave the financial aspect of it until the last minute. Many of us were scrambling around last year to find patrons and it was highly stressful.

This year what we have decided to do is ask each person to bring in the names and addresses of people they received money or ads from in the past. We will send each person a letter asking them to donate to this year's show. Since the number one reason people did not donate last year was that we didn't give them enough time to work it out financially, we are hoping to get these letters out soon to give them time to decide if and how they would like to help us out...

Please bring the names and addresses to the August meeting so that we can get a head start on fundraising this year. Our funds are low and we don't want to sink our treasury in December.

Thanks ahead of time for putting forth the effort!

I hope to see you all at the meeting!

Lisa

Farm-City Day SVS Kids Photo Contest

from Elizabeth Downey

August 11, 2001, at Farm-City Day near Clarkstown provided SVS with an opportunity to host a children’s photo contest. Contestants from throughout the county submitted images. The entries were judged, the exhibit was hung and the kids and nearly 3500 attendees loved the show. Thank you to our judges, Lisa McNerney-Mody, Brent Shirk and Wayne Palmer. Thank you Ralph Wilson for taking the exhibit stand to the host farm the evening before the event. Thank you Pam Herrington for helping announce the winners and presenting their prizes, certificates and ribbons. Thank you Joe Nevill at Eckerd’s Photo Lab, Hoyers Photo Supplies, Creative Memories and Mountain View Photo & Framing for the prize contributions. And a huge thank you to Bernie Downey for helping hang the show, take it down and everything else you did to make this work. Our exhibit garnered a lot of queries from Farm-City Day visitors about SVS. There have also been many calls since then full of praise from the parents and other relatives and friends of the contestants. The best satisfaction, however, was seeing the excitement in the kids eyes and listening to their individual stories during the day about their world of photography.

Program Report: Due to the lack of slides at the July meeting, we are extending the due date. For all of you who were mad at yourself for not participating in the scavenger hunt, here is your lucky chance.....you have a whole extra month to get out there and shoot! Second chances like this don't come around too often....

Just shoot a roll of slide film on your own. Your challenge is to capture the following six categories:

- Communication - Green**
- Ground level - Humor**
- Summer celebration - Wet**

Have your film processed and bring your best slide of each category to the August meeting. Our program will consist of the slide show and critique. Unfortunately, the club will not supply film or processing but prizes will be awarded in all categories. We hope all members will participate in this opportunity to share work and ideas.
